8-14-06 thru 8-17-06	W1, 97, 480, 217, 154, 16, 253, 353	Inpatient Hospitalization	$54,975.96	$54,975.96
Total Due:				$54,975.96

PART V: REVIEW OF SUMMARY, METHODOLOGY AND EXPLANATION

1. These services were denied by the Respondent with reason code "W1-Workers Compensation State Fee Schedule Adjustment; 97-Payment is included in the allowance for another service/procedure; 480-Reimbursement based on the Acute Care Inpatient Hospital Fee Guideline per diem rate allowances; 217-The value of this procedure is included in the value of another procedure performed on this date; 154-Payment adjusted because the payer deems the information submitted does not support his day's supply; 16-Claim/service lacks information which is needed for adjudication. Additional information is supplied using remittance advice remarks codes whenever appropriate; 253-In order to review this charge we will need a copy of the invoice; and 353-This charge was reviewed per the attached invoice."

2. This dispute relates to inpatient services provided in a hospital setting with reimbursement subject to the provisions of Rule 134.401 (Acute Care Inpatient Hospital Fee Guideline). The hospital has requested reimbursement according to the stop-loss method contained in that rule. Rule 134.401(c)(6)(A)(i) states "To be eligible for stop-loss payment the total audited charges for a hospital admission must exceed $40,000, the minimum stop-loss threshold."

3. Based upon the operative report, the claimant underwent right knee arthroscopy.

4. Based upon the UB-92 the total charges were $92,829.55 for the inpatient hospitalization.

5. Because the total audited charges exceed $40,000, the stop-loss method does apply and the reimbursement is to be based on the stop-loss methodology.

6. Rule 134.401(c)(6)(A)(iii), states "If audited charges exceed the stop-loss threshold, reimbursement for the entire admission shall be paid using a Stop-Loss Reimbursement Factor (SLRF) of 75%."

7. Rule 134.401(c)(6)(A)(v), states "Audited charges are those charges which remain after a bill review by the insurance carrier has been performed." The insurance carrier audited the bill and submitted EOBs to support their reduction of billed charges. The insurance carrier audited the bill and paid for services based upon the per diem methodology. No other audit reductions of charges were presented by Respondent.

8. Rule 134.401(c)(6)(B), indicates "Formula. Audited Charges X SLRF = WCRA." Therefore, the amount billed $92,829.55 X 75% = $69,622.16.

9. The insurance carrier audited the bill and paid $14,646.20 for the inpatient hospitalization. The difference between amount due and paid = $54,975.96, this amount is recommended for payment

Considering the reimbursement amount calculated in accordance with the provisions of Rule 134.401(c) compared with the amount previously paid by the insurance carrier, the Division finds that additional reimbursement of $54,975.96 is due for these services.
